SUBJECT: [REDACTED]

25X1A

1. Subject Work Order #14 for fabrication of a lamphouse shield and modification of six exterior panels for the [REDACTED] Viewers, AR-65A, located in BAG, has been initiated.

2. The modification to the panels is being made to facilitate loading and unloading film and for access to the fuse panels. One viewer was delivered without a lamphouse shield and inquiry of the former users indicated it could not be located.

3. It is felt that work being accomplished under Work Order #14 will result in a savings to the Government in that the viewer manufacturer, located in [REDACTED], would charge considerably more for the same work, due to inconvenience, shipping, installation, etc.
